**ORDER GRANTING STAY**

Respondent has requested a stay of NTSB Order EA-4581, served August 29, 1997. No opposition to the request has been received. However, although the petition is titled one for stay pending judicial review, respondent does not indicate that he has filed such a petition, nor does he state that he intends to do so. It appears that good cause would exist for granting the stay, were a request for judicial review to be filed. Accordingly, we will assume respondent has or will timely do so.<sup>1</sup>

**ACCORDINGLY, IT IS ORDERED THAT:**

The effective date of NTSB Order EA-4581 is stayed until the expiration of the 60-day period within which a petition for review may be filed with the Court of Appeals; however, if such a petition is filed, the stay will continue in effect until the court enters judgment on the petition.

General Counsel

<sup>1</sup> In EA-4581, the Board affirmed a 120-day suspension of respondent's airman certificate for violation of 14 CFR 61.15(d).
